Thanks to a Municipal Planning Grant, the Mendon Planning Commission has worked with the Rutland Regional Planning Commission to comprehensively update the Mendon Town Plan. The proposed Mendon Town Plan has been updated to better conform to Vermont State Statute (24 VSA Chapter 117) and to better serve as an important guidance document for the next eight years.

Copies of the Draft Town Plan are available at the Town Clerk's Office, at the Mendon Town Garage, and on the Town website (<http://www.mendonvt.org/>).

Edits have been made to page 6, 31, and the Transportation Chapter following the Mendon Planning Commission Town Plan Hearing.
