

## **Irene Recognition Committee- Town of Mendon**

Committee meeting- October 19, 2020

In attendance:

Larry Courcelle, Committee Chair

David Wolk, Committee vice chair

Ann Singiser, committee member

Jennifer Bagley, committee member

Dick Wilcox, committee clerk

Meeting called to order via gotomeeting at 12:37pm

Agenda approved without any additions or deletions

Site visits by Larry and Dave were detailed and discussed by the committee including Town Park, Wheelerville Road, Journey's End, Medway, and Sugar and Spice grounds. The consensus location of the committee was the Sugar and Spice location, on the southwest side of the property. Dave and Larry reported that they had discussed the project with the Manney's and they approved the use of the site.

Discussion by the committee determined that they anticipated a two phase celebration, with the first phase to include a marker/plaque to be placed at the Sugar and Spice site, and a second phase to potentially be a combination with the town wide picnic to be held at the Rec field in August, on or near the August 28<sup>th</sup> 10 year anniversary.

The marker/plaque will be investigated by Dave, and ideas will be presented at the next meeting. It was determined by the committee that Dave would also write the first draft of the inscription for committee review.

The next meeting will be determined as needed in the next month or so. Email correspondence will be utilized until Larry convenes the next meeting.

Meeting adjourned at 1:40pm
