Thank you for coming to speak to the board. We appreciate your time, and we are happy for you to use this part of the meeting to get your comments on record and to our attention. If there are multiple comments, each person will be limited to two minutes to ensure that as many as possible get to speak. When you speak, please state your name and the topic of your comments before you begin. After you have finished we may ask clarifying questions, and the superintendent or board chair may offer helpful resources about your topic, but we will not have a board discussion of any topics other than those on the published agenda. The board's expectation is that if an issue is something the board should act on, the superintendent will follow up and bring it to the board through the agenda planning process.

Comments may also be sent to the board using Let's Talk, the button on the Barstow website.
