

Request for Proposals
Local Hazard Mitigation Planning Services for the
Town of Mendon, Vermont

Date of Issue: March 4, 2022

Closing Date: March 21, 2022, 11:00 a.m.

The Town of Mendon, in Rutland County, Vermont, is seeking the services of a qualified consultant to create a new Local Hazard Mitigation Plan for the Town of Mendon (2010 pop. 1,059). The plan will be submitted to FEMA for approval.

The selected consultant(s) shall 1) demonstrate the ability to identify various hazard mitigation strategies that will eliminate or greatly reduce the impact of hazards that may affect the municipality and 2) have experience related to mitigation planning work.

Funding Source:

This work is funded by a Hazard Mitigation Assistance grant from FEMA. The selected consultant must be available and willing to complete the required work within 18 months of the date of the award of this contract, including FEMA approval.

It is anticipated that the FEMA grant funds will cover all of the consultant expense, which will account for 75% of the entire project cost. The Town of Mendon will be responsible for the remaining 25% of project cost, through a combination cash and in-kind hours. Tasks that will be undertaken by the Town of Mendon staff and officials include:

- General printing, photocopying, and other direct meeting expenses such as public notices.
- Public outreach and publicity efforts.
- Research (e.g. listers' data, flood levels and loss data).

The consultant will assist the Town of Mendon in tracking and helping to maximize in-kind hours towards the required match.

The amount available for consultant expense is capped at \$9,000.00. **Cost-effectiveness and efficiency will be given very serious consideration.** The selected consultant will be expected to propose a budget and timeline that makes the most cost-effective and expedient use of all in-kind resources, as well as other cost-saving measures, such as teleconferencing.

Project Proposal

The project proposal should be organized along the following steps (some discretion is allowed as long as the proposal is in line with the requirements of the FEMA Review Tool). Each step should indicate the consultant's role and responsibility, proposed date for completion, number of consultant hours required for each step, hourly rates and any associated direct expense. The Town of Mendon brings to this project a willingness to align its resources in the most cost-effective manner possible, so consultants are strongly encouraged to suggest strategies for delegating responsibilities.

Step	Description
1.	Assemble planning team and meet with consultant(s) to review the planning process and confirm outreach strategy.
2.	Establish work plan with deliverables, timelines for completion and confirmed roles and responsibilities. (current LHMP expires July 2022)
3.	Review information on hazards based on best available data.
4.	Review hazard data in one public meeting.
5.	Complete vulnerability assessment to quantify the extent of each hazard.
6.	Identify mitigation strategies.
7.	Review mitigation strategies in a public meeting.
8.	Submit plan to Vermont Emergency Management (VEM) and revise accordingly.
9.	Submit revised plan to FEMA, revise if necessary, and adopt plan.

The final plan document developed by the consultant will be available to the Town of Mendon

Qualified, interested individuals should submit the following information no later than March 21, 11:00 a.m.:

1. Consultant’s qualifications and resume. Please include references and contact information for similar emergency management or hazard mitigation planning projects.
2. Description of experience with grant-funded projects, especially FEMA or Vermont Emergency Management programs.
3. Project and cost proposal, itemized by project steps as identified above. Proposal should include all consultant hourly rates and any associated direct expenses.

Evaluation of Proposals:

Selection of a consultant(s) will be based on the proposal and:

- Documented experience in mitigation planning
- Technical staff capability to assess risks based on identified hazards
- Experience working with local, state, and/or federal government
- Ability to recommend viable mitigation actions
- References of past work in mitigation planning
- Cost
- Timeliness

The Town of Mendon encourages responses from disadvantaged, women-owned, minority-owned and small local firms. Selected candidates should be prepared to execute a contract that contains pass-through provisions regarding Federal programs and assurance related to this grant-funded work, including policies regarding conflicts of interest, equal opportunity, non-discrimination, retention of and access to records, and audit requirements, when applicable. The Town of Mendon reserves the right to reject any or all responses.

Please deliver responses and inquiries to:

Sara Tully, Town Administrator
 2282 US Route 4
 Mendon, VT 05701

Email submissions are acceptable: mendonadmin@comcast.net

A confirm receipt will be provided.
